

# *Award for Support & Consistency at NISE 2001*

**A**t the recently concluded 5th Nigeria Software Exhibition (NISE 2001), SystemSpecs,

## *at NISE 2001*

*All smiles - John Obaro, M.D, SystemSpecs, receiving the award from the Honourable Minister of State for Science and Technology, Mrs. Pauline Tallen.*

Nigeria's leading software house was given an award as **The Most Consistent and Supportive Exhibitor**. The exhibition was organised by the Computer Association of Nigeria (COAN) at the Muson Centre in Lagos.

The two-day event which witnessed a large turnout of visitors, had software companies from within and outside the country exhibiting their products. **HumanManager** and **SunSystems** were the products showcased by SystemSpecs.

Check out the May edition for more details.
